## EXPERIENCE

### Stores System Support — Luxottica

July 2019 - March 2020

Tracked problematic system errors by implementing various user support tracking metrics.

Offered technical guidance and advised users of alternative approaches when troubleshooting.

### Computer Hardware Technician — Regency Technologies

October 2017 - July 2019

Used diagnostic tools to identify hardware failures and replace non-functional components.

Tested and installed motherboards, processors, and graphics cards on desktops and laptops.
